* A note from the Allegheny County Health Department: Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have a medical condition. However, if you order something "well done", we're not going to be held responsible for it being dry and flavorless, ya Rube!

An Extra Special Note from Chef Rodney: Beer may increase charm, wit, strength, moxie, chutzpah, and ultimately, your resistance to foodborne illnesses.
